## VET'S + BEST™ HOT SPOT SPRAY

This soothing mix of Tea Tree Oil, Aloe Vera and Chamomile, formulated by Dr. Dawn Curie Thomas, DVM, provides fast relief for itchy and irritated skin. For over 25 years, she has blended natural ingredients that work together to comfort and relieve your pet.

QUICKLY SOOTHES IRRITATED SKIN  
ALCOHOL-FREE, NO-STING FORMULA  
FAST RELIEF FROM SCRATCHING & ITCHING

WILL NOT AFFECT TOPICAL FLEA CONTROL PRODUCTS

**Directions:** Spray directly on raw, irritated Hot Spots. Repeat 1-4 times daily as needed. If your dog suffers from flea allergies, spray entire body daily or as needed. Avoid spraying near eyes.

**After-bath:** To soothe seasonal skin irritation from flea and pollen allergy dermatitis, mix 8 tablespoons of Hot Spot Itch Relief Spray in 1/2 cup of water. After bathing, massage the mixture into the hair coat. Do NOT rinse out! Avoid contact with eyes.

**Contains:** Tea Tree Oil, Chamomile and Aloe Vera.

For our complete skin care system for Hot Spots, use with Vet's Best™ Hot Spot Shampoo, Vet's Best™ Hot Spot Foam, Vet's Best™ Ear Relief™, WASH & DRY and Vet's Best™ Vita-Derm™ Shed+Itch.
