

Groom from the inside out.

VITAGLO™ DREAM COAT® provides a blend of pure oils that supply all the essential fatty acids needed to promote a full, shiny coat, smooth skin and a great immune system. The longer you use it, the better it works!

Nourishment is more than food on a plate. It's a commitment you make to your animal companion, a commitment born of love and enacted day after day. A commitment visible in the food you serve, in the products you use to groom, in each stroke and every hug.

**Directions:** Shake well and mix with pet's daily meal; for cats and any other "creatures of habit," start with 1/8 to 1/4 of the recommended amount and gradually increase.

**For cats and dogs: (1 ml= 0.001 g)**

2–11 lbs: 2.5 ml. (½ level tsp)

12–25 lbs: 5.0 ml. (1 level tsp)

26– 50 lbs: 10 ml. (2 level tsp)

51+ lbs: 15 ml. (3 level tsp)

**Small/medium birds:** ¼ to ½ ml. (2-4 drops)

**Large birds:** ½ to 1 ml. (4-8 drops)

This product is intended for intermittent or supplemental feeding only. May refrigerate after opening.
