Veterinarian recommended. Ark Naturals® products are formulated by Dr. Nancy Scanlan, DVM and Dr. C. Leigh Broadhurst, PhD.

DIRECTIONS AND RECOMMENDED USE: For Dogs and Cats 12 weeks and older.

Initial Use: Pour onto clean cotton ball, place over eye area and allow Eyes so Bright™ to seep into eye area. Repeat 2 times per day for several days or until there is improvement.

Maintenance: Use Eyes so Bright™ once each week.

To avoid transferring infection, do not use the same cotton ball in each eye.

Individual results may vary according to age, condition, diet and lifestyle. Natural remedies do not take the place of expert veterinary care. Always consult your veterinarian if you suspect your animal is ill. If your vet is not familiar with Ark Naturals® please contact us, and we will be happy to send our clinical information.
