

## Dosage

**Cats:** 1 chewable tablet 1 time daily  
**Dogs 0 - 50 lbs:** 1 chewable tablet 1 time daily  
**Dogs 51 - 100 lbs:** 2 chewable tablets 1 time daily  
**Dogs 101 - 150 lbs:** 3 chewable tablets 1 time daily

## Safety

Flea Away™ is made with all natural vitamin B complex that is water soluble. So what does that mean for your dogs or cats? If they consume 100 tablets in one sitting, this will have no negative effect on your pet's well being.

As stated before, it is completely water soluble and requires nothing more than increasing your pet's water intake.

This will cause increased urination to flush out the water soluble additives safely.
